It is very seldom that a new setticle steps so suddenly into universel favor. Housekeepers are lond in its praise, for it possesses, he merit of always being ready; there are no weights to hunt up and adjust, is always reliable—will not get out of order—and is an ornament to the kitchen. The description is simply a base surmounted by a hollow column, in which works a spiral spring so scientifically gauged and adjusted as to weigh anything up to twelve pounds with perfect acuracy. On the top of the column is the latform on which the articles to be weighed are placed. By the mere turning of a screw the tare of the dish, plate or whatever you may use in weighing, is taken out and the net weight given. Housekeepers at once see its value in weighing, is taken out and the net weight given. Housekeepers at once see its value in weighing sugar or fruit, in making preserves or jellies, or in testing the butcher's or grooser's weight, and the thousand and one cases that of or curvately is cessary. The "Whita" Shuttle Sewing machina is the draft instrument seer in Floral Hall on entering wanted. MURKY HILL, PUB. CO., 128 East 28th St. N. Y. first instrument seer, in Floral Hall on cutering from the cars. They are fast becoming the favorate in this section. For heavy sewing they have no rival; the arm giving space enough for the heaviest goods to pass moler, while in fise work they do their work with a rapidity and noiselessness perfectly astonishing. We flud here seven different styles of Machines-varying only in the finish: all are equally good and, we bettere, so near perfection as the much improved sewing machine can be. These peerless Machines can be bought at prices ranging from \$25 to \$10. Those in search of a obsept, durable and perfect Machine can do no better this to examine and purchase these Machines. (Landmark, Platte City, Mo., September 8, 1877.) B. Whiteley, General Manager of the 'White' (Landmark, Platte City, Mo., September 8, 187. B. Whiteley, General Manager of the "Whit Shuttle Sewing Machine is on the Fair Ground and making a very fine display of the differ varieties of his Machine. Mr Whiteley has n with improcedented success in our country a ection, and we have yet to hear a word of deatisfaction expressed in regarf to what claims for the "White." In fact many for ocitizans are exchanging other and standard Mchines for the "White," Redling satisfied if it is the best as well as the cheapest. Owing the unprocedused number of others coming it

the unprecedested number of orders coming Mr. Whiteley has been compelled to appoint extra agent for this county, and no mach agent will come in competition with "White"—in fact, this Machine is carrying storms everything in the shape of a Sewing ! If you want to examine or buy one of these machines call on or addr. Orders and Corespondence dressed to B. WHITLEY, St, Jose
